Ø=Þ¨ Violence Detection Report

Report ID: 1c7526c6-d9c7-46fa-a0c2-ee88b1f2b1c5
Time: 2026-01-27T05:04:07.935Z
Status: SUSPICIOUS
Confidence: 90%

Explanation:

The image shows three individuals involved in a dynamic physical interaction. A person in a blue shirt is actively holding or restraining a person in a white shirt from behind, with a noticeable grip on their arm/shoulder area. The person in the white shirt is bent over a third individual, who is on the ground in a yellow shirt. The postures and expressions of the standing individuals suggest a struggle or active physical intervention. The person in blue's expression appears tense, and their grip indicates control or

restraint. The person in white is leaning forward, potentially against resistance or due to the force applied by the person in blue. The person on the ground is positioned in a manner consistent with having fallen, been pushed, or taken down. Although no explicit striking or weapons are visible, the active physical restraint, the struggle dynamics, and one individual being on the ground strongly indicate a situation involving physical violence or an aggressive physical confrontation. This warrants a 'SUSPICIOUS' classification under 'Physical Violence'.
