Explanation:

The image depicts three adult males engaged in a physical interaction. One individual in a dark blue shirt is seen forcefully gripping the arm and shoulder of another individual in a white shirt. The individual in the white shirt appears to be struggling, with a strained posture and facial expression, leaning forward and downward as if being restrained or pushed. A third individual in a yellow shirt is on the ground in the foreground, facing away, which is consistent with having been involved in a physical altercation or having

been knocked down. The overall body language and direct physical contact strongly suggest an ongoing physical attack or a violent struggle between the individuals. No weapons are visible, but the physical nature of the interaction is highly suspicious.
